Description

The interiors

Inside the apartment, the striking aesthetic takes its cues from minimalism, with a hint of rusticity echoing the island's vernacular style while juxtaposing the functionality of design. Intelligent lighting, unique materials and high spec finishes create inviting, liveable spaces and open plan living maximises the island's glorious natural light to invoke a feeling of space, calm and freedom.

The gardens

The gardens have been landscaped to reflect an alfresco lifestyle, enhancing the architecture and the surrounding nature of Ibiza. Tropical palms and wild sea grasses sway in the Mediterranean breeze, water-wise succulents respect the environment and soft grass provides grounding on a daily basis. Life flows seamlessly from the inside out, creating a sanctuary in which to connect with nature.
