Although the plot of land does not appear so large, it is not visible and offers privacy. There are only 3 neighbors on the mountain. The property is already impressive from the entrance. The main entrance divides the driveway into two ways. One path leads to the house, the other path to the apartment.

The outdoor area not only has a large pool, numerous terraces on different levels, chill zones, but also a beautiful landscaped garden with palm trees.

In addition, the villa has a license for an "Obra Mayor" to carry out structural changes in the interior and enlargement of the window fronts.
